# Upload manuscript for #1569422475: *test19022011*

Please visit conference website (www.jiit.ac.in/jiit/ic3) for submission of final manuscript and registeration

You can now upload your review manuscript for *test19022011* until March 7, 2011 23:59:00 EST or until the manuscript problem has been fixed.

You can upload the following file types: PDF.

The review manuscript cannot exceed 12 pages.

You can either upload the file via the web form below or use anonymous ftp to **ftp://ftp.edas.info** using the file name **610993265** with any extension. The ftp user name is anonymous, no password. Files longer than about 10 MB should be transferred via ftp. Files are not copied from the ftp directory to the database immediately, but are processed by a background task about every hour. When the file has been successfully copied to the database, you will receive an email message confirming the upload, and see the file listed on paper information web page.
