NOTICE

With respect to mail of several students regarding foreign language course for 5th Semester students. It is for information of all students that the foreign language course being offered is an audit course with an equivalent credit value of 2. Those students who pass the examination in foreign language course will be issued a separate certificate having successfully completed the foreign language course with the grade secured by them. The grades obtained in the foreign language course shall not count towards the CGPA calculation for award of B.Tech degree.
