Subject: 1st IACRR- IWA SG SCED International Conference on Coastal Reservoirs and Sustainable Water Management -Regarding

Dear Madam/Sir,
Greetings from AICTE!

The 1st IACRR- [WA SG SCED International Conference on Coastal Reservoirs and Sustainable Water Management, which will be held 6th - 9th November 2023 at Hohai University, Nanjing, China.

This conference aims to bring together the expertise of water and energy resources planners, policy makers, researchers, engineers and scientists from around the world to review, assess and advance innovative downstream water and energy management practices in coastal cities. The programme will span the following thematic areas:

- . Coastal infrastructures, climate change
- . Sustainable water management, water security
- . Ecological impacts, water quality, sediment transport

River, Estuarine and Reservoir processes

- . Water-energy-food nexus, water policy

The conference will have 14 international keynote speakers, 10 invited lectures and 2 interactive workshops. There will also be a field trip to the world's largest Qingcaosha Coastal Reservoir situated at the mouth of Yangtze River and supplies over 60% of Shanghai water supply needs. More information on the conference may be found at <https://www.iacr2023.com>

Please find attached herewith a letter from Hon'ble Chairman, AICTE in this regard.
