Subject: AICTE- Request for your valuable feedback on the design of StudyInIndia Portal –reg.

Dear Sir/Madam,

Greetings from AICTE..

We are happy to share with you that about StudyinIndia (SII) programme which is a flagship project introduced by the Ministry of Education (MoE), Government of India. The Study in India programme seeks to endorse **“India as Education Capital of the World”**. The network of colleges and universities have aided India to become an attractive education hub for international students. Study in India programme aims to traverse the geographical boundaries and reach out to every international student who dreams of gaining top-notch higher education. The long-term goal is to help international students not only to take admission to the finest of Indian institutes but empower them with all-around development.

We are glad to inform you that AICTE has designed and developed a new portal for StudyInIndia. The URL of the new portal is as under:

<https://studyinindia.aicte-india.org/>

For a better user experience, the portal is revamped with new designs and functionalities. We are hereby through this email requesting you to circulate the below given Google form among faculty members/students (International Students also, if any)/Management to provide their valuable feedback/suggestions on this new design:
