

Position vacant: JRF in DRDO funded project

Applications are invited for the post of Junior Research Fellow (JRF) to work in a DRDO funded project at Department of Physics & Materials Science & Engineering, Jaypee Institute of Information Technology, Noida. The detail of the project is given below:

Title of the project	Funding Agency	Positions Vacant	Duration
Experimental investigations on surface plasmon resonance based fiber optic refractive index sensors	DRDO	01 JRF	03 years or end of the project

Interested candidates may send their CVs (with specific mention of the time required to join if offered) to Dr. Navneet Kumar Sharma (navneetk.sharma@jiit.ac.in). Last date for submission of application is 25/10/2017. However, applications may be accepted after the last date, if suitable candidates are not found.

Eligibility: Master Degree (M.Sc./M.Tech.) in Physics/Applied Physics/Applied Optics/Optoelectronics/Electronics/Instrumentation/Materials Science with UGC-CSIR NET/JEST/GATE qualification. Preference will be given to those students, who have good experimental knowledge in the concerned field.

Fellowship: As per the norms of DRDO (JRF @ Rs. 25,000/- + HRA @ 30%).

Dr. Navneet Kumar Sharma,
(Associate Professor)
Department of Physics and
Materials Science & Engineering,
Jaypee Institute of Information Technology,
A-10, Sector -62, Noida-201307, U.P.
