

**Walk in Interview for the post of Junior Research Fellow (JRF) under
DST-SERB sponsored research project (EMR/2016/005914)**

**Jaypee Institute of Information Technology (JIIT) A-10, Sector-62,
Noida, 201309**

A walk-in interview for the post of **Junior Research Fellow (JRF)** in the Science & Engineering Research Board (SERB), Department of Science and Technology (DST) sponsored project entitled: **“Investigating microRNAs as the Next Generation Therapeutic Targets in Diabetic Cardiomyopathy”** will be conducted at **Department of Biotechnology, JIIT, Noida-62.**

Minimum Qualifications: M. Sc./M. Tech. in Biotechnology/Molecular Biology/Genetics or in related area with at least 60% marks or equivalents.

Desired Knowledge: Candidate should have experience in animal tissue culture, molecular biology techniques, hands-on experience with advance techniques such as next generation sequencing as evident from workshops and conferences. Candidate with prior knowledge of microRNAs and related bioinformatics will be preferred.

Fellowship: 25,000.00/month + HRA admissible as per DST rules

Application Format and interview: Those interested are requested to bring their updated CV with the following application format:- (Personal particulars, Details of academic record (10th onwards), Research/Professional Experience, other testimonials and mark sheets) at the time of interview

Date, time and venue: 30th July 2018; Reporting time 10:00 to 10:30 AM; Conference Room, Department of Biotechnology, Jaypee Institute of Information Technology (JIIT) A-10, Sector-62, Noida, 201309.

No TA/DA will be paid for attending the interview.

Dr. Vibha Rani

Principal Investigator
