

Faculty Development Program (FDP) entitled Current Advancements in Artificial Intelligence, Machine Learning, and Data Science, during June 16-25, 2025 (Online Mode)

Respected Esteemed Sir/Madam.

Warm Greetings from Department of Mathematics...

Respected Esteemed Sir/Madam.

Warm Greetings from Department of Mathematics...

We are pleased to inform you all that department of Mathematics, JIIT is organizing a Faculty Development Program (FDP) entitled Current Advancements in Artificial Intelligence, Machine Learning, and Data Science, during June 16-25, 2025 (Online Mode) in collaboration with Electronics & ICT Academy (Ministry of Electronics & Information Technology, GoI, New Delhi), National Institute of Technology Warangal. This FDP has been planned to address emerging academic and research themes based on Artificial Intelligence, Machine Learning, and Data Science and aims to enhance the pedagogical and research capabilities of faculty members and research scholars. This FDP is designed to equip educators and researchers with cutting-edge knowledge and practical skills in rapidly evolving fields. As AI and data-driven technologies increasingly reshape industries, it is essential for faculty members to stay updated with the latest algorithms, tools, and applications. This FDP emphasizes emerging trends such as generative AI, machine learning and big data analytics, while also addressing ethical considerations and real-world use cases across healthcare, finance, education, and more. By fostering interdisciplinary learning and hands-on experience with modern platforms and frameworks, the programme aims to enhance teaching quality, promote impactful research, and prepare educators to guide students effectively in the era of intelligent systems. The whole course is handled by academicians and industry experts.

Program Details:

· Mode: Online

· Dates: June 16-25, 2025

Registration Link:

Participants are required to fill the online registration form by clicking on the following link:

<https://forms.gle/PjyNDSViHhCXbiydA>

The FDP brochure is attached for your reference. We kindly request you to circulate this FDP details along with brochure among your colleagues, department, and organization.

We look forward to your participation in this enriching program!

Respectfully.

With Best regards,

Prof. (Dr.) Alka Tripathi

Head, Department of Mathematics,

Jaypee Institute of Information Technology, Noida
