MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on ¹ ~~2021~~ ^{08 Oct 2021} by and between **JIIT Noida**, an education institution recognized by the University Grants Commission, with its principal place of business at A-10 & 12, Sector-62, Noida 201 309 (UP), India and **TalentDecrypt Private Limited**, with its principal place of business at 91springboard, C2, Sector 1, Block C, Sector 1, Noida, Uttar Pradesh 201301, India.

Jaypee Institute of Information Technology (JIIT), Noida [AICTE Approved, NIRF (MHRD, GoI) Ranked (2016, 2017, 2018, 2019, 2020), and NAAC Accredited] was established in the year 2001 and has been declared as a "Deemed to be University" under Section 3 of UGC Act 1956 in the year 2004 vide notification dated 1st Nov 2004 of Ministry of Human Resource Development, Government of India.

JIIT Noida has been ranked amongst the top in NCR, and one of the best in North India among all private engineering Institutions; 96th best in the country among all government and private engineering institutions by NIRF, Ministry of Human Resource and Development, Rankings of the year 2020.

JIIT Noida is fully equipped to conduct UG, PG, and doctoral programs. It has more than 4800 research publications and 36 books to its credit. JIIT has collaborations/understanding with many foreign universities such as the University of California, the University of Florida, the University of Abertay Dundee (UK), etc.

TalentDecrypt is the fastest growing product-based company. TalentDecrypt enables online examinations that are easy to run, scalable, and customizable while ensuring complete security and credibility. Our 'Artificially Intelligent + Human' proctored mechanism guarantees the Integrity of Physical Exam Centres with the Robustness of online exams. We are the only company in India recognized by the International Software Testing Qualifications Board (ISTQB) to conduct their certification exams globally. We are on a mission to enable every company to induct technical talent of the right fit and competencies and also match every aspirant to the right opportunity.

JIIT and TalentDecrypt both intend to pursue areas of collaboration and cooperation which will afford enhanced opportunities.

JIIT and TalentDecrypt plan to cooperate in the following areas:

1. **Internship Cum Full-time-role to Students Offered After Campus Recruitment Drives.** JIIT shall provide offered final year students, B.Tech / Integrated M.Tech / M.Tech in February and MBAs in March / April, for internship cum full-time-role. These students will be available till end-May to TalentDecrypt to make them business-ready as per their business model. The contribution made by students shall be reduced to writing and submitted by them as major project work, as per the UGC guidelines for the award of the PG / UG

degrees. The assessed marks given by TalentDecrypt will be added as marks obtained in major project work, for the award of the final grade of the programme.

2. **Industrial Training During Summer Breaks.** Selected students from JIIT will be given industrial training opportunities during pre-final year summer break(s). Students so selected will work with TalentDecrypt to understand the business model and will, thus, get groomed over a period of two to six months. Students showing potential to be a useful member of the Team TalentDecrypt may be considered for PPO or appropriate advantage during Campus Placement Drives.

3. **Guest Lectures / Workshops.** TalentDecrypt and JIIT, shall undertake online guest lectures on contemporary business skills / technologies and basic concepts of engineering / management respectively. Team TalentDecrypt members and students / faculty members of the JIIT shall be the beneficiaries. These events shall be planned and conducted on a mutually agreed date and time.

4. **Faculty Development Programmes.** These programmes will be conducted by the JIIT and representatives from TalentDecrypt shall be invited to attend and enrich the programmes by their valued inputs. The improvements in the syllabi / electives suggested will be considered for making the students better industry ready.

5. There will be no financial transactions of any kind and both parties shall work for grooming the human resource for the nation-building. This understanding will be valid for a period of two years from the date of signing.
