

3rd National Workshop on Computational Intelligence (NWCi-2019) Jaypee Institute of Information Technology, Sector-128, Noida 26th April, 2019 – 27th April, 2019

About the Program

This is the third series of the national workshop on Computational Intelligence. The primary aim of this workshop is to educate the participants about the fundamentals of evolutionary algorithms, swarm optimization techniques, and multi-objective optimization techniques by using hands-on practice on various real world applications. The workshop will be delivered with practical approaches to convey information more effectively and enable the visualization and application of computational intelligence in engineering domain.

Major Contents

The major contents of the workshop will cover the following:

- Evolutionary Algorithms
- Swarm Optimization Techniques
- Evolutionary Multi-Objective Optimization Techniques
- Applications of Multi-Objective Optimization in various Engineering Fields like Image Analysis and Data Mining

Registration

The applicants are required to fill the online registration form. The details of the registration fee are as follows (There is a 20% discount in registration fee for the members of SCRS, New Delhi):

Industry personnel	: Rs. 2500/-
Faculty	: Rs. 1500/-
M.Tech. Students/Research Scholars:	Rs. 500/-

The registration fee should be made through NEFT to the following beneficiary:

Beneficiary Account Name: Jaypee Institute of Information Technology
Account Number: 910010050443719
Bank Name: AXIS Bank
IFSC-Code: UTIB0000372
Bank Address: Axis Bank Ltd, Karkordooma, New Delhi-110092
