

15 June 2020

Jaypee Institute of Information Technology, NOIDA

Updating of Student Email IDs on Webkiosk

An Institutional Email ID is being created for students for all online academic activities. All communications related to all academic activities will be sent only on this Institutional mail ID. This new mail ID will be forwarded on the existing mail IDs available on the student's webkiosk.

Hence, all students to check the correctness of their existing mail IDs on their webkiosk and update the same, if required, latest by 20 June 2020.

The Institutional mail IDs will be forwarded to the students by end of June 2020.
