Dear Students, Faculty Members and Staff,

Accordingly, the classes for all JIIT students have been suspended **till 21 March 2020**. The Institute will re-open on 23 March 2020 (Monday).

It is advised that no event on the campus be organized during this period that requires gathering of people. Students residing in the hostel in the campus may continue to do so. The mess facilities will be available during this period. The Government has also advised against domestic and international travel. Kindly follow the advisories being issued and avoid unnecessary contact with other persons.
