**STUDENTS EXIT FEEDBACK REPORT 2017-18**

Feedback was taken from final year students on the last day of their college. The students were asked to fill a form to provide their feedback. They were asked to rate ten parameters on 1 to 5 scales where 1 means Fair, 2 means Good, 3 means Very Good, 4 means Excellent and 5 means Outstanding. Out of around 950 forms filled up by students, average scores have been calculated and shown in Table 1.

It may be observed from Table 1 that on average the students have 'Very Good' rating to all the parameters except 'Extracurricular activities' parameter in which the rating is 'Good'. The feedback related to T&P cell as shown in Table 2 highlights that 77 percent of the students feel that T & P was helpful when approached. Regarding preparatory sessions and students' placement committee the opinion of students is very much divided as around 50 percent of the students find these to be useful/ helpful.
