CURRICULUM STRUCTURE

The under-graduate curricula at all the Jaypee Universities are following a common philosophy. The main features of this B.Tech curriculum are:

- Choice based Credit System
- Structured choice of subjects offered in a wide spectrum of categories such as Basic Sciences and Engineering, Mathematics, Language skills, Social Sciences, Management besides Discipline specific core and elective subjects

- Emphasis on learning through doing – 2-4 Laboratory courses in each semester, big dose of Project work, Industry exposure etc.
- Value added courses to enhance skills in certain areas such as communication skills, computer languages, mathematics and others.
- Audit courses so that a student could widen his base of knowledge
- Sufficient flexibility in choosing subjects so that one could peruse a particular specialization of choice
- Total credits to be earned 160 with about 17-24 credits each semester.
- An approximate division of credits into various categories is as follows:
 - Language/Humanities & Social Science/Management 16%
 - Basic Sciences & Engineering including Mathematics 25%
 - Engineering Sciences 25%
 - Professional Core Content 45%
 - Professional Elective Content 24%
 - Open Subjects 09%
 - Project work/Internship 15%

List of minor specialization being offered at JUET, Guna, for BTech students is available at <http://www.juet.ac.in/Academic/Courses.php>

- Weekly class-room contact time of about 25-30 hours. Typically, the contact time is divided into Lecture, Tutorial and Practical sessions in the ratio of 3:1:1
- Teaching schemes revised every 3-4 years to accommodate latest developments in technology.

The details of semester wise teaching schemes, list of electives, course outline of subjects, grading scheme and other academic rules and regulations are available on respective websites of the Universities.
