STUDENT SEMINAR 2.0

The two day event would comprise of one Plenary Session and Six Technical Sessions, a poster presentation session and would end with a 'Creative Expressions' Session. The abstracts would be published as done the previous year.

The last day for submission of abstracts is 11th October and the last date for registration is 14th October. The students are advised to submit their abstracts of not more than 250 words on time so that their abstracts get published as part of proceedings.

The last date for submission of full papers is 4th November, 2016.

We would also be taking a limited number of entries for poster presentation.
