

Learning Resource Centre, IIIT NOIDA

How to access Koha Catalogue Help Guide

Step 1: Click here to open LIBRARY WEB OPAC Online Public Access Catalogue using URL (<http://172.16.68.1/>)

The screenshot shows the homepage of the Learning Resource Centre at IIIT Noida. The header features the IIIT logo and the text "Learning Resource Centre A gateway of knowledge". A navigation menu includes links for Home, About LRC, LRC Services, LRC Resources, LRC DRS, How to search?, Research Support, LRC Events, Contact Us, and Download. A search bar is present with a dropdown menu set to "Library catalog" and a "Go" button. Below the search bar are links for "Advanced search", "Authority search", "Tag cloud", and "Most popular".

The main content area is divided into several sections:

- News and Notices:** A text block advising all IIITians to visit the LRC website for resources and services, and new students (Batch 2017) to register with the LRC.
- Welcome:** A section titled "New Arrival Books of this week – [Click here](#) to view the complete list".
- New & Upcoming Titles:** A grid of book covers with links to their respective pages:
 - [Working capital management](#) by [Sekhar, G.V. Satya](#)
 - [Internet of things: connecting objects to the web](#) by [Chaouchi, Hakima](#)
 - [Distributed systems: by Couloris, George](#)
 - [Consumer behaviour: indian context](#)
 - [From Campus to Corporate](#)
 - [Working Capital Management](#)
- Library Timings:** A table showing the library's operating hours for different days and services.
- Note:** A statement that the library remains open on all days of the year except national holidays and during exams, with a closing time of 11:00 pm.
- Important Links:** A list of links to external resources like E-Newspaper, Free E-Books, National Digital Library, NPTEL Lectures@IITs, Open Access Journals, and Shodhganga.

Photocopying/Scanning/CD-Burning	9.00 am to 5.00 pm

Note:

Step 3: Click on Advanced Search Menu

The screenshot displays the Learning Resource Centre website interface. At the top left is the logo of the Institute of Information Technology (IIT) with the motto "First time - Right way". The main header reads "LEARNING RESOURCE CENTRE" with the tagline "A gateway to knowledge". A dark blue navigation bar contains links for Home, About LRC, LRC Services, LRC Resources, LRC DRS, How to search?, Research Support, LRC Events, Contact Us, and Download. Below this, a secondary menu highlights "Advanced search" in a red box, with other options like "Authority search", "Tag cloud", and "Most popular". A red arrow points from the "Advanced search" link to a large red "Click" text. The main content area features a "Search for:" section with three input fields, each preceded by a "Keyword" dropdown menu. Below the search fields are buttons for "Search", "More options", and "New search". An "Item type" section titled "Limit to any of the following:" lists various media types with checkboxes: Audio Cassette, Bound Periodicals, Compact Disk, Ebook, Gifted Books, MAPS, Project Report, Reference, Serial, and Text Book. At the bottom, there are sections for "Publication date range", "Language", "Location and availability:", and "Sorting:".

Step 4: Once you click on Advanced Search button the page will be redirected to the Library database details like as; (Books, Journals, and Other supporting documents). The Advanced Search page offers many ways to limit the results of your search. You can limit them by using the drop down menus and a combination of the Boolean operators AND, OR, and NOT.

Sorting:

Sort by:

For example: 1999-2001, You could also use "-1987" for everything published in and before 1987 or "2008-" for everything published in 2008 and after.

Only items currently available for loan or reference

Step 6: For the location you may select the results to display the holdings of either or both of the libraries. The default Sort by Relevance is very useful for KEYWORD and SUBJECT searches. However, if you are searching by TITLE and you prefer the results in ALPHABETICAL ORDER, you may select as shown below:

The screenshot shows a library search interface. At the top, there are navigation links: "Advanced search | Authority search | Tag cloud | Most popular". Below this, the search results are displayed for the query "ti,wdl: computer science". The page indicates "Your search returned 118 results." and includes a pagination control showing pages 1 through 6, with "Next" and "Last" buttons.

On the left side, there is a "Refine your search" sidebar with sections for "Availability" (with a link to "Limit to currently available items."), "Authors" (listing Carter, Steve; Forouzan, Behrouz A.; Gateforum; Lewis, John; Pillai, S Unnikrishn...; and a "Show more" link), "Holding libraries" (with a link to "MAIN"), and "Item types" (listing Ebook; Gifted Books; Reference; and Text Book). At the bottom of the sidebar are "Topics" (listing Algorithms; Computer science; GATE; Gate study material; Mathematics; and a "Show more" link).

The main search results area shows three items:

- Theoretical computer science : introduction to automata,computability, complexity, algorithmics, randomization, communication, and cryptography** by Hromkovič, Juraj | Sherbert, Donald R. Edition: Material type: Book; Format: print ; Literary form: Not fiction Publisher: New Delhi Springer (India) Private Limited 2010 Online access: Click here to access online Availability: Items available for loan: MAIN [Call number: REF 004 HRC] (2). Includes a 5-star rating and "Place hold" and "Add to cart" buttons.
- Graph Theory:with applications to engineering and computer science** by Deo, Narsingh | Torozon, Linda. Edition: Material type: Book; Format: print ; Literary form: Not fiction Publisher: New Delhi PHI Learning Private Limited 2010 Online access: Click here to access online Availability: Items available for loan: MAIN [Call number: 511.5 DEO] (1). Includes a 5-star rating and "Place hold" and "Add to cart" buttons.
- Digital signal processing : a computer science perspective** by Stein, Jonthan Y | Harle, David. Edition: Material type: Book; Format: print ; Literary form: Not fiction Publisher: New Delhi Wiley 2009 Online access: Click here to access online Availability: Items available for loan: MAIN [Call number: 621.3822 STE] (1).

A dropdown menu is open on the right side of the page, showing sorting options: "Relevance" (selected), "Popularity", "Popularity (most to least)", "Popularity (least to most)", "Author", "Author (A-Z)", "Author (Z-A)", "Call Number", "Call number (0-9 to A-Z)", "Call number (Z-A to 0-9)", "Dates", "Publication/Copyright date: Newest to oldest", "Publication/Copyright date: Oldest to newest", "Acquisition date: Newest to oldest", "Acquisition date: Oldest to newest", "Title", "Title (A-Z)", and "Title (Z-A)".

Two book covers are visible on the right side of the page: "GRAPH THEORY" by Deo, Narsingh and "Digital Signal Processing: A Computer Science Perspective" by Stein, Jonthan Y and Harle, David.

Step 7: Results overview -The number of results found for your search will appear above the results
