EVENT DETAILS

On 30th January 2025, the National Service Scheme (NSS) unit of Jaypee Institute of Information Technology organized a Road Safety Awareness Drive event as part of the **National Road Safety** campaign, supporting the Ministry of Road Transport & Highways' initiatives. The initiative aimed to foster responsible road‑user behaviour, pedestrian safety, and community awareness about the importance of following traffic regulations.

The primary objective of the Road Safety Awareness Drive was to educate participants on safe driving practices and contribute towards reducing road accidents and fatalities. The initiative was in line with the National Service Scheme's commitment to community development and social responsibility. The drive aimed to engage students and local residents in promoting road safety through active participation in awareness‑building activities.

The drive included the following key activities:

Traffic Awareness Rally: Volunteers carried placards and banners with messages like "Obey Traffic Rules, Save Lives" and "Helmet On, Life On," marching through the campus and adjacent streets to sensitize motorists and pedestrians.

Interactive Sessions & Demonstrations: Road safety experts conducted short talks on helmet and seat‑belt use, the dangers of distracted and drunk driving, and pedestrian right‑of‑way. Practical demonstrations showcased proper helmet fitting, seat‑belt fastening, and basic first-aid responses for accident victims.

Resource Distribution: Pamphlets and brochures detailing traffic signals, defensive driving tips, and emergency contact numbers were handed out to participants and passers-by, reinforcing key safety messages.

Follow-Up Plan: A committee was formed to monitor local road-safety behaviour over the following month. Participants were encouraged to report improvements in their own habits and share instances where they helped others adhere to safety norms.

The Road Safety Awareness Drive was a resounding success, not only in terms of the number of people reached but also in fostering a deeper sense of civic responsibility among participants. The event helped to strengthen the NSS Unit's mission to engage students in community service while promoting a safer, more conscientious road environment.

EVENT DETAILS

On 7th March 2025, the National Service Scheme (NSS) unit of Jaypee Institute of Information Technology organized a **Cleaning Drive** as part of its ongoing commitment to social responsibility and community engagement. The event was conducted under the broader framework of environmental cleanliness and public health awareness.

The drive aimed to instill in students a sense of civic duty, hygiene, and proactive community involvement. Through active participation, volunteers contributed to creating a cleaner, healthier environment within and around the campus premises.

Key Activities of the Cleaning Drive included:

- **Campus Clean-Up:** Volunteers engaged in cleaning various areas of the campus, including classrooms, corridors, gardens, and nearby surroundings. Special attention was given to waste segregation and proper disposal of litter.

- **Awareness Sessions:** Informative sessions were conducted to highlight the importance of cleanliness, personal hygiene, and waste management. Students were encouraged to adopt sustainable habits in their daily lives.

- **Poster Campaign:** NSS volunteers created and displayed posters promoting cleanliness, anti-littering habits, and environmental protection to raise awareness among peers and staff.

- **Waste Management Training:** Participants were educated on practices like composting, recycling, and the proper categorization of biodegradable and non-biodegradable waste.

- **Follow-Up Initiative:** A regular maintenance plan was introduced to ensure the cleanliness efforts were sustained beyond the event, with periodic clean-up schedules proposed.

The Cleaning Drive received active participation from students, faculty, and staff, and successfully enhanced the cleanliness and aesthetic of the campus environment. It strengthened the NSS unit's resolve to involve youth in constructive civic action and promote a culture of cleanliness and responsibility.

EVENT DETAILS

On **04/04/25**, the **National Service Scheme (NSS)** unit of Jaypee Institute of Information Technology, Noida, organized an **Aadhar Card Enrollment and Update Camp**. The initiative was part of the institute's continuous efforts toward community service and was aligned with the Government of India's **Digital India Mission**. The camp was designed to facilitate both **new Aadhar enrollments** and **updates to existing Aadhar records** for students, faculty members, and staff. By bringing these services to campus, the NSS unit aimed to make the Aadhar process more accessible, convenient, and efficient for the institutional community.

Objectives

- To provide on-campus access to Aadhar registration and update services.

- To promote awareness about the importance of Aadhar in public welfare and governance.

- To support the national objective of digital empowerment through inclusive identification services.

Key Activities Conducted

1. **Aadhar Enrollment Services**

   o Fresh Aadhar registrations were conducted.

   o Biometric data (fingerprints, iris scan, and photograph) were captured.

   o Necessary document verification was performed on-site.

2. **Aadhar Update Services**

   o Modifications in personal details such as address, name spelling, and mobile number were facilitated.

   o Biometric updates were also supported.

3. **Information & Awareness Desk**

   o NSS volunteers set up a help desk to guide participants through the documentation process.

   o Leaflets were distributed explaining the role and benefits of Aadhar.

4. **Support for Elderly and Differently Abled**

   o A dedicated support team was available to assist individuals with special needs, ensuring inclusive participation.

Outcomes and Impact

- A significant number of students, faculty, and staff members availed the services.

- The camp enabled participants to complete Aadhar-related tasks without the need to visit external centers.

EVENT DETAILS

On 11th April 2025, the National Service Scheme (NSS) unit of Jaypee Institute of Information Technology organized a **Group Discussion Water Camp.** As part of its ongoing commitment to environmental awareness and student engagement. The event, organized by proactive student volunteers, focused on the pressing issue of water scarcity and emphasized the significance of sustainable water management.

The discussion served as a platform for students to share insights, deliberate on challenges, and propose innovative solutions related to water conservation. The primary aim was to enhance awareness among the youth regarding water-related issues and inspire them to take responsible action in their daily lives.

Key Activities of the Group Discussion:

- **Water Conservation Strategies:** Participants actively discussed various practical methods to conserve water, such as rainwater harvesting, fixing leakages, and using water-efficient appliances.

- **Water Scarcity and Climate Change:** Students examined how global climate change is intensifying water scarcity and explored region-specific impacts and potential mitigation techniques.

- **Government Initiatives and Policies:** The discussion included analysis of ongoing government schemes such as the Jal Shakti Abhiyan and their effectiveness in addressing water-related challenges.

- **Campus-Level Solutions:** Suggestions were made to implement water-saving measures within the campus, including the installation of sensor taps, water audits, and student-led conservation drives.

- **Awareness & Behavioural Change:** Emphasis was placed on the role of behavioural change in ensuring efficient water use. The importance of educating peers and the community was discussed at length.

Outcomes and Future Plans: The group discussion concluded with a shared commitment among students to initiate a **Water Awareness Campaign** across the campus. This would include poster drives, workshops on water-saving tips, and collaborations with NGOs focused on water sustainability. Furthermore, a proposal was made to conduct a **Water Audit of the campus** to identify wastage and recommend improvements. The Group Discussion on Water Camp proved to be an intellectually stimulating and socially relevant event. It not only heightened student awareness but also laid the groundwork for long-term water sustainability efforts within the institution.

EVENT DETAILS

On 18th April 2025, the National Service Scheme (NSS) unit of Jaypee Institute of Information Technology, Noida, organized a World Heritage Day awareness event to commemorate and celebrate humanity's rich cultural legacy. The initiative aimed to instill appreciation and responsibility among students towards the preservation of historical monuments and sites that are recognized globally for their cultural significance.

The program was conducted offline on campus and engaged 30–40 students along with 4 faculty members. It included an awareness session and a creative quiz-based activity focused on promoting knowledge about various world heritage monuments. Through this, participants were encouraged to explore the historical importance and global value of heritage sites.

A specially designed digital poster was displayed, featuring iconic monuments such as the Eiffel Tower, Taj Mahal, Pyramids of Giza, Colosseum, and others, accompanied by the powerful message:

"Preserving our heritage is preserving the soul of humanity — a bridge between our past and our future."
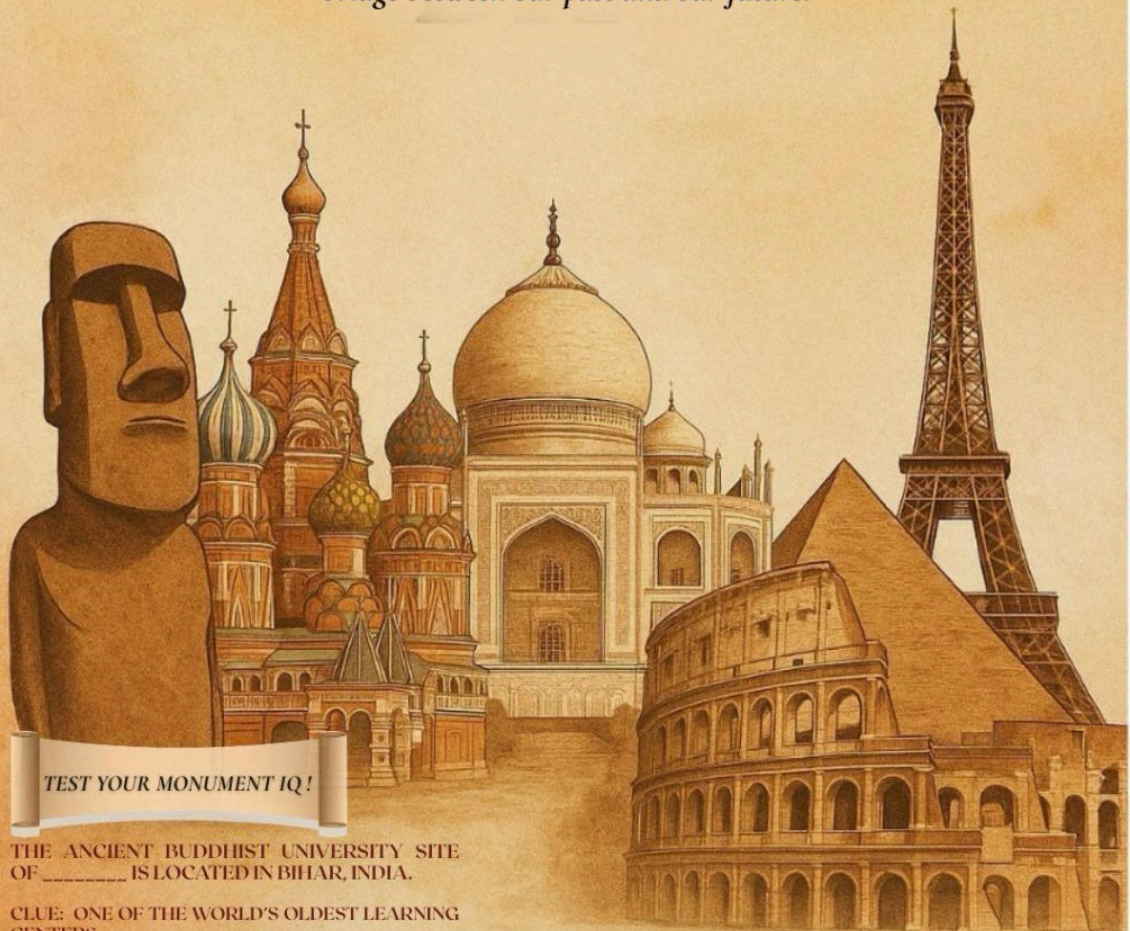

The **KEY FEATURE** of the event was a **Monument IQ quiz** that tested students' knowledge of global heritage locations. One of the highlighted clues focused on the ancient Buddhist university site located in Bihar, India — a reference to the world renowned **"Nalanda University"**.

The celebration of World Heritage Day successfully deepened students' understanding of cultural preservation and reinforced NSS's mission of fostering educational and civic responsibility. It served as a reminder of the importance of respecting and protecting our collective past for the benefit of future generations.
WORLD HERITAGE DAY

Financial support provided by other than Govt. Agency	NA
Total expenditure incurred	----

EVENT DETAILS

On **14th April 2025**, the **National Service Scheme (NSS)** unit of **Jaypee Institute of Information Technology, Noida**, organized a **Fire Safety Awareness Program** to promote awareness and preparedness among students and staff regarding fire emergencies.

The event was graced by **Dr. Arti Noor**, who served as the **chief guest** and formally inaugurated the session. She emphasized the importance of being equipped with practical knowledge and quick response strategies in the event of a fire.

The training began with a **theoretical session conducted by a certified fire safety instructor**, explaining the basics of fire safety, causes of fire, and emergency protocols to follow in case of an outbreak.

This was followed by a **live demonstration of various types of fire extinguishers** and how to use them effectively in real-life scenarios. Students attentively observed the process and learned safe handling practices.

A major highlight of the event was the **arrival of a fire fighter truck**, where trained personnel explained the components and functions of the truck, including water hoses, ladders, and the role of emergency response teams. Students got a firsthand look at professional fire-fighting equipment and procedures.

Key activities included:

- **Demonstrations** on the use of fire extinguishers, blankets, and emergency exits
- **Training sessions** by fire safety experts covering fire prevention and response protocols
- **Mock evacuation drill** to familiarize students with proper procedures 🎬 **Distribution of awareness materials** such as pamphlets and posters

---

The event was a success in raising awareness and fostering a safety-first mindset among the participants.

EARTH DAY

EVENT SUMMARY:

Awareness/Training/Programs organized by Department/External Agencies	NSS
Program Theme	Earth Day
Name of Program/Event	Earth Day

EVENT DETAILS

On 22nd April 2025, the National Service Scheme (NSS) unit of Jaypee Institute of Information Technology Wishtown Campus, organized an Earth Day awareness event to commemorate the global occasion dedicated to environmental protection. The initiative aimed to foster consciousness about climate change, sustainable living, and ecological responsibility among students.

The event was held at the campus and saw active participation from both students and faculty. It focused on educating attendees about the importance of Earth Day and encouraged them to take meaningful steps toward preserving natural resources and promoting sustainable development. The initiative was in alignment with the NSS's core values of community engagement, awareness, and responsible citizenship.

The Earth Day program included the following key activities:

Presentation and Awareness Session: A detailed session was conducted using visual presentations to discuss pressing environmental concerns like pollution, deforestation, and global warming. The session also outlined simple, practical steps individuals can take to reduce their ecological footprint.

Student Participation: Students engaged in the session by asking questions, sharing ideas, and discussing their understanding of sustainable practices. Their enthusiasm reflected a growing sense of awareness and responsibility.

Geo-tagged Documentation: The event was documented through geo-tagged photographs to validate participation and location authenticity. This approach ensured transparency and added value to the program's impact.

The Earth Day celebration was a meaningful and impactful event, nurturing a spirit of environmental stewardship among the participants. It served as a reminder of our collective responsibility toward the planet and reinforced NSS's mission of integrating education with civic and environmental consciousness.

EVENT DETAILS

On 23rd April 2025, the NSS unit of Jaypee Institute of Information Technology celebrated World Book Day to promote reading habits and encourage literary awareness among students. The event aimed to foster a deeper appreciation of books as powerful tools for knowledge, imagination, and personal growth.

The program featured a variety of engaging activities to spark interest in reading and learning:

- **Book Exhibition:**
  A diverse collection of books spanning fiction, non-fiction, academic texts, and inspirational literature was displayed to give students an opportunity to explore different genres and authors.
- **Reading Hour:**
  Students participated in a dedicated reading session where they brought their favorite books and read quietly, reflecting the value of uninterrupted literary engagement.
- **Literary Quiz and Competitions:**
  A literary-themed quiz tested students' knowledge of famous books, authors, and literary history. Winners were awarded prizes for their enthusiasm and insight.
- **Bookmark and Poster Making:**
  Creative activities like designing bookmarks and posters around the theme "Read, Learn, Grow" encouraged students to express their love for books through art.
- **Book Donation Drive:**
  Students and faculty donated gently-used books, which were collected and will be distributed to underprivileged schools and libraries as part of a community outreach effort.

The World Book Day celebration was successful in nurturing a culture of reading, creativity, and sharing knowledge. It encouraged students to embrace books as lifelong companions and reinforced the NSS unit's dedication to holistic development through education.

EVENT DETAILS

On 25th April 2025, the National Service Scheme (NSS) unit of Jaypee Institute of Information Technology, Noida, organized a **Blood Donation Camp** in the Academic Block of the campus. The initiative aimed to promote awareness about voluntary blood donation and encourage students to contribute to a life-saving cause.

The event was conducted in collaboration with healthcare professionals and volunteers who managed the registration, medical screening, and safe collection of blood units. A comprehensive setup was arranged including medical check-up stations, resting areas for donors, and awareness counters providing information about the significance of blood donation.

The camp followed a well-organized flow beginning with donor registration and health screening by licensed doctors. Approved participants then proceeded to donate blood in a hygienic and professionally managed environment. After donation, refreshments and rest were provided to ensure donor well-being.

The event included the following key activities:

Registration & Awareness Desk: Volunteers managed registration and shared informative pamphlets about the importance and myths of blood donation.

Medical Screening: Qualified medical staff conducted basic health assessments such as blood pressure, hemoglobin levels, and general fitness to determine donor eligibility.

Blood Donation Drive: Students donated blood under the supervision of trained personnel, with proper safety and sanitation protocols in place.

Refreshments and Gifts: All donors were provided with refreshments and appreciation items including **certificates, water bottles, juice, biscuits, and fruits** as a token of gratitude for their contribution.

Geo-Tagged Documentation: The event was documented with geo-tagged images, highlighting real-time location and participation to ensure transparency and credibility.

Team Effort: The entire NSS core team worked diligently and collaboratively to ensure the seamless execution of the event. Their dedication, coordination, and commitment played a vital role in making the camp a **resounding success**.

The Blood Donation Camp not only contributed to a noble cause but also strengthened NSS's mission of civic engagement, humanitarian service, and student leadership.
