About Host University

Jaypee Institute of Information Technology, Noida was established in the year 2001 and is declared as a "Deemed to be University" under Section 3 of UGC Act 1956 in the year 2004. JIIT's state-of-the-art, comprises smart buildings with Wi-Fi connectivity covering the Academic Block, Business School, Faculty Residences, Student Hostels and Annapurna. Well-equipped modern laboratories and an intellectually stocked Learning Resource Centre with books and E-Resources provide a pleasant and stimulating ambience. JIIT is included consistently in NIRF Ranking under top 100 Academic Institution/Universities in INDIA and has also been constantly ranked amongst the top engineering institutes in Delhi-NCR.

About Department

The Department of Biotechnology at JIIT, Noida is a vibrant and invigorating academic centre for higher education, research, and innovation in key areas of Biotechnology. Department aims to be a centre of excellence in Biotechnology for providing quality education and carrying out cutting edge research to produce professionals, innovators, researchers and entrepreneurs.

About Workshop

Intellectual property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. To create awareness on the significance of IPR amongst the students and academia from various sectors in the country, JIIT is organizing a workshop on IPR and Patenting in India. The workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc.

Topics to be covered:

- Sessions on various fields of IPR from experts from industries and academia such as:
 - Nature of IP Right
 - Patent Search & Filing
 - Impact of Patent Governance Systems
 - Patenting in Computer sciences and Electronics

Keynote Speakers:

- Mr. Gaurav Gogia (United IPR)
- Mr. Amit Bansal (Mankind Pharma)
- Dr. Tapan Gandhi (IIT)
- Dr. Indira P Sarethy (JIIT)
- Ms. Shubhani Chokra (Aranca)
