

Faculty Details:

Prof. Bhagwati Prasad Chamola

Professor

Education: Ph. D. (GKV Haridwar)

Teaching and Research Experience: More than 28 Years

Interest Areas: Nonlinear Analysis, Fixed Point Theory and Fractals.

[View more](#)

Prof. Devpriya Soni

Professor

Education: Ph.D. (MANIT Bhopal)

Teaching and Research Experience: More than 19 Years

Interest Areas: Information Retrieval and Data Mining, Data Science, Software Engineering, Data-structures, Mobile Application Development

[View more](#)

Prof. Amit Srivastava

Professor

Education: Ph.D. (MNIT Jaipur)

Teaching and Research Experience: More than 17 Years

Interest Areas: Information Theory & Coding, Fuzzy Sets

[View more](#)

Dr. Dinesh C. S. Bisht

Associate Professor

Education: Ph.D. (GBPUAT Pantnagar)

Teaching and Research Experience: More than 13 years

Interest Areas: Soft Computing, Fuzzy Optimization & Decision Making

[View more](#)

Dr. Adwitiya Sinha

Associate Professor

Education: Ph.D. (JNU New Delhi)

Teaching and Research Experience: More than 10 years

Interest Areas: Data Modeling & Network Science, Large Scale Graph Algorithms & Analytics, Wireless Sensor & Actuator Networks, AI, Social Network Analysis

[View more](#)

**Dr. Indu Chawla**

Assistant Professor (Senior Grade)

Education: Ph.D. (JIIT Noida)

Teaching and Research Experience: More than 19 years

Interest Areas: Software Engineering, Mining Software Repositories, Machine learning, Soft computing, Information Retrieval, Big Data and Data Analytics

[View more](#)

**Dr. Ankita Verma**

Assistant Professor (Senior Grade)

Education: Ph.D. (JNU New Delhi)

Teaching and Research Experience: More than 5 years

Interest Areas: Machine Learning, Pattern Recognition, Social Network Analysis
Computational Intelligence

[View more](#)

**Dr. Ankita Jaiswal**

Assistant Professor (Senior Grade)

Education: Ph.D. (JNU New Delhi)

Teaching and Research Experience: 1 Year

Interest Areas: Software Engineering, Mining Software Repositories, Machine learning, Soft computing, Information Retrieval, Big Data and Data Analytics

[View more](#)

**Dr. Shikha Pandey**

Assistant Professor (Grade-II)

Education: Ph.D. (SVNIT Surat)

Teaching and Research Experience: More than 3 Year

Interest Areas: Software Engineering, Mining Software Repositories, Machine learning, Soft computing, Information Retrieval, Big Data and Data Analytics

[View more](#)

**Dr. Shruti**

Assistant Professor (Grade-I)

Education: Ph.D. (BITS Pilani)

Teaching and Research Experience: More than 2 Years

Interest Areas: Applied Probability, Operations Research, Wireless Communication
