ABOUT JIIT

JIIT was established in the year 2001 with the vision of becoming a center of excellence in the field of IT & related emerging areas of education, training and research comparable to the best in the world for producing professionals who shall be leaders in innovation, entrepreneurship, creativity and management. The Institute offers Doctoral, Post-graduate as well as Undergraduate programs of study in the disciplines of Computer Science Engineering, Information Technology, Electronics & Communication Engineering, Biotechnology and Management.

DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES

The Department of Humanities and Social Sciences is a source of change-facilitators who serve to complement the existing and emerging educational programs of JIIT by imparting professional and behavioral competencies and, thereby, transforming students to become the New-age, Innovating, Competitive and Enterprising leaders in their chosen professions of service and technology.

THE WORKSHOP:

How many surprises do you encounter in your life regarding your finances; unexpected car problems, medical bills, school fees? We all possibly have fallen victims of consequences of improper personal financial planning. Without managing personal finance, one can live a life of bondage without knowing how to get off debts or adequately pay for bills. When seeking financial freedom, personal finance plays a significant role. Therefore, having the necessary personal finance skills will help you to ensure all your money is managed well. This will help propel you to a bright financial future. This workshop will provide the understanding of investment fundamentals and concepts of accounting and finance which are essential to take financial decisions at individual level. The participants will also learn about the risk return trade-off in investments, basics of investing in stock markets, mutual funds and buying insurance policies.

Who can participate:

This workshop is designed for working professionals, faculty members, students, self employed, housewives etc. Prior knowledge of accounting or finance is not required to benefit significantly from this workshop.
