

## **JIIT NOIDA**

### **INSTITUTE ENVIRONMENT CELL (IEC)**

(AS ON 07 MARCH 2022)

The Competent Authority has approved the constitution of “Institute Environment Cell (IEC)” of JIIT, Noida as follows:

- (i) Prof. Krishna Sundari - Convener
- (ii) Dr. Swati Sharma
- (iii) Dr. Neelu Chowdhury
- (iv) Ms. Kritika Rani
- (v) Mr. S. Moondra

#### **Objectives of IEC**

- a) To promote awareness about matters concerning to the Environment amongst the students, faculty and all stakeholders of the institution.
- b) To help identify issues and challenges concerning the environment of institute campuses and suggest appropriate solutions.
- c) To inculcate a sense of responsibility towards maintaining the safety and sustainability of environmental resources.
- d) To provide knowledge, know-how and skills, to pledge one’s commitment to preserve the environment.
- e) To inspire the faculty and students to spread environmental consciousness amongst different stakeholders (both on-campus and off-campus) through curricular and co-curricular activities.

#### **Activities:**

- a) Consolidate Institute Environment report annually
- b) Document Environment audit, Green-Campus audit
- c) Collect & maintain reports of Environment related activities (workshops, webinars, expert talks, hub activities, UBA, Swatch Bharat Abhiyan and NSS activities) conducted both on-campus & off-campus by faculty & students of JIIT.

Note: A report of any activity (workshops, webinars, expert talks, hub activities, UBA, Swatch Bharat Abhiyan and NSS activities) conducted by faculty & students of JIIT either on-campus or off-campus, to be submitted to Institute Environment Cell.

- d) Collect & maintain information regarding curriculum contribution (courses, projects) with Environment relevance.
- e) Promote and organize events related to issues and challenges pertaining to Environment and sustainable living on days of environmental significance
