

## **Invitation for Research Proposals under AICTE RPS Lab to Market Scheme 2025**

Dear Sir/Madam,

Greetings from All India Council for Technical Education (AICTE)!

In continuation to our previous email, we are pleased to bring to your kind notice that the proposals are invited under **AICTE Research Promotion Scheme (RPS): Lab to Market 2025** which is designed to foster translational research with **Technology Readiness Level (TRL) 6/7** and support commercialization of innovative solutions. The last date of submission of proposal is 31st July 2025. Please register with your AICTE approved institutional PID and also activate the registration through activation link. Please check your inbox or SPAM folder for the activation link after registration. Kindly note, a single registration is provided to one institute where multiple proposals can be submitted by different faculty members / departments. In order to avoid last minute rush, please register and activate your registration well before the last date (i.e at least 10 days before) the last date of submission of proposal. This will enable smooth submission of proposal submission.

### **Key Highlights:**

- **Funding:** Up to ₹50 Lakh per project
- **Duration:** 2-3 years.
- **Eligibility:** Full-time regular faculty from AICTE approved institutions
- **Industry Partnership:** Preferred and encouraged

### **Important:**

All interested faculty members are encouraged to carefully read the attached **RPS 2025: Lab to Market Scheme Document** for complete eligibility criteria, funding details, application formats, and submission guidelines.

We request you to kindly disseminate this information widely among your faculty members, research departments, and relevant stakeholders. Your active participation will greatly contribute to the vision of promoting cutting-edge research and innovation for national development.
