

**Invitation to participate in the Emerging Tech Internship opportunity
offered Internshala on National Internship Portal**

Dear Sir/Madam,

Greetings from AICTE

We are pleased to introduce a new virtual internship in emerging technology like, offered by Internshala through National Internship Portal. This program offers students a chance to gain practical skills, earn certifications and academic credit, and qualify for a stipend through their capstone projects.

The internship is designed to help students develop essential skills in emerging technologies, preparing them for future careers. By partnering with your esteemed institution, we aim to offer your students a valuable opportunity to engage in hands-on learning and showcase their abilities.

Program Highlights:

- Hands-on learning with real-world projects
- Attractive stipends
- Opportunities to work with reputed companies

- Virtual Internship Duration: 12 weeks

We believe this internship will greatly benefit your students, helping them prepare for the jobs of tomorrow. Students can apply directly through the AICTE National Internship Portal at

<https://internship.aicte-india.org/Internshala.php>

Please circulate this information among all faculty members and students of your institution, encouraging them to participate in this orientation session on this program so they can understand the program and participate as much as possible.

For any other clarifications, feel free to contact us at university.relations@internshala.com

With regards,
Dr. Buddha Chandrasekhar
