### Master of Business Administration with Specialization in Education Management

The growing needs and challenges of the education sector with implementation of NEP 2020 has resulted in the shift from conventional knowledge transfer to skill development among students. The transformation in the teaching-learning process requires resources as well as ensuring quality of education. The two-year full-time program in Education Management is designed to prepare management graduates with the knowledge and skills required to manage educational institutions. It is also beneficial to experienced teachers in academic roles to take on leadership roles in the institutions.

#### The Objective of the program are to:

- impart experiential learning to teachers and professionals to take up leadership roles in the Education Sector.
- acquaint them with all functional areas and contemporary teaching practices for effective management of an educational institute.

**Eligibility:** Graduation in any discipline from statutory university with 50% aggregate marks or CGPA score. Preference will be given to candidates with 3 to 5 years teaching and administrative experience in educational institutes. Candidates will be assessed by education administration experts.

**Admission Process:** Group Discussion, Personal Interview and Writing Assessment. *Relaxation in Admissions Criteria may be given to M Ed, B.Ed., and Administrative Officers in Educational Institutes.*
