Subject: Request to participate in Free 7-day Tech Career Bootcamp | Techedge23 – reg.

Dear Sir/Madam,
Greetings from AICTE!!

We are happy to inform you that an Edtech start-up of India **Masai School** Masai, a skilling institute, has been working to unlock India's human potential with their revolutionary software development course, Masai ONE, which allows students from all education backgrounds to enter the tech industry.

Masai School wants to provide a 7-day Tech Career Bootcamp **free of charge** for higher education students.

Register Now - <https://www.prepleaf.com/techedge>

Date - 1st June - 7th June

With tailored simulations led by **industry experts**, designed to give a hands-on experience through tailored simulations. Students will master **technical tests and interviews, enhance their resume, and be fully prepared for future hiring**. Students will earn a **certificate of completion**

The workshop will have:

- Understand tech company processes*
- Learn from industry experts through tailored simulations*
- Enhance resume, master technical tests & interviews*
- Be prepared for future hiring with prompt engineering*
- Earn a Certificate of Completion*

In this connection, it is requested to encourage your students to participate in this workshop.

For any further clarifications, feel free to contact **Mr. Randhir Kumar**, randhir.kumar@masaischool.com, **6366225611**

With Regards,
Dr. Buddha Chandrasekhar,
Chief Coordinating Officer,
