Subject- Students registrations drive - as part of National Academic Depository – NAD (A Government of India Initiative)

Dear Students,

As you may be aware, keeping in view the government's initiative of 'Digital India' the **National Academic Depository (NAD)**, has been launched which is a joint initiative of Ministry of Human Resources Development, Govt. of India (MHRD) & University Grants Commission (UGC).

MHRD has launched this initiative to facilitate centralized storage, digital issuance, access and online verification of Academic Awards issued by Universities in India. UGC is the nodal administrative body for overseeing and ensuring the implementation of NAD. **NSDL Database Management Limited (NDML)** a fully owned subsidiary of **National Securities Depository Limited (NSDL)** has been appointed as a depository, to develop and operate the NAD system and provide NAD services to users.

NSDL, A leading depository in the world with over Rs.175 Lakh crore of custody value, is now poised to extend the concept of Demat to Academic certificates. NAD aspires to make the vision of Digital Academic Certificates for every Indian Student a reality and promises to do away with difficulties/inefficiencies of collecting, maintaining, and presenting physical academic certificates. A direct integration with Boards, Universities, and Academic Institutions ensures **authenticity of every certificate record** that is uploaded on the NAD system.

We are proud to announce participation of JIIT in this Academic Digital revolution. We have joined NDML NAD for uploading all our students' Final Degree.

In order to benefit from this initiative, it is important that all students know about and register on the NAD system. Therefore, to facilitate students to understand and join NAD, the process of registration on NAD is attached herewith. We shall soon facilitate setting up a registration camp at our University premises.

We would like to inform you that the **registration is Free of cost for students.**

Please read Notice along with process of registration on NAD by students on our website www.jiit.ac.in under announcements.

In case of any clarifications please call **NSDL official number** or you may email us on nad@nsdl.co.in or **NSDL official mail**. Visit www.nad.ndml.in for more information on National Academic Depository (NAD). Its Facebook page can be accessed at fb.me/ndmlnad.

Thanking you.

Yours faithfully,

(Registrar)
