Overview

PHOTOPTICS is well established as one of the most important areas of research. It has become an essential part in the development of advances in optical sciences and optoelectronic industry. The workshop aims to provide a broad overview of basic concepts related to Optoelectronics and Photonics. The ultimate objective is to promote awareness about recent trends in these areas among students, researchers, industry personals and faculty/scientists from colleges, institutes and universities/research labs.

About the Institute

Jaypee Institute of Information Technology (JIIT), Noida was established in the year 2001 and has been declared as a “Deemed to be University” under Section 3 of UGC Act 1956. The undergraduate programs of the university have been accredited by the National Board of Accreditation of AICTE. JIIT has been constantly ranked amongst the top engineering Institute in Delhi NCR and North India.

Department of PMSE

Physics plays a key role in the development of modern sciences, engineering and Technology. Department of PMSE was created from the very inception of the institute. Besides catering to the basic needs of the various B. Tech. / M. Tech. programs of the Institute, it had a strong fervor towards research and development from the very beginning and efforts are being made for the convergence of Physics with other disciplines by introducing courses of interdisciplinary nature such as Nanotechnology, quantum information theory and laser technology etc.

How to reach

Metro: The station closest to the campus is Botanical Garden. Shared autos and reserved autos are available there. You have to hire for JIIT, Sector-128, (landmark: Wishtown), Noida; **Railway:** Noida is well connected to New Delhi and Old Delhi railway station.

Who can participate

The workshop is open to all Graduate students/Research Scholars/Faculty Members/Scientists/ Engineers working in Educational Institutes/ Industries/ R&D organizations.

Registration Fee

Industry personnel: Rs. 2500
Academicians: Rs. 1500
Research Scholars/Students: Rs. 500

Participants can pay the fees either by demand draft or by cash (at the time of registration). Demand draft should be in favor of “Jaypee Institute of Information Technology”, payable at NOIDA.
