

Technology Ambassadors for AI Development Activities– Be Part of Make In India Samvadini Global Communication App

Dear Sir/Madam,

Greetings from, Anuvadini, AICTE..

We are glad to share with you that Anuvadini, AICTE, Ministry of Education has developed a Samvadini App to empower secure, multilingual, and spam-free communication for individuals, governments, businesses, and MSMEs — with real-time AI-powered speech and text translation in 22 Indian and 37 foreign languages. It is equivalent to WhatsApp with additional advance features.

Key Features of Samvadini friends:

- Spam-Free and Cyber Fraud-Free Messaging
- End-to-End Encryption for complete privacy
- Chat without sharing phone numbers
- Real-time speech & text translation across 59+ languages
- Marketplace for 8+ crore MSMEs, SMEs and traders
- Women and Senior Citizen Friendly – with voice-to-text, simplified interface,
- and privacy-first design
- 100% Make in India – built and hosted locally within India

Samvadini is not just a messaging app – it's India's answer to secure, inclusive, business-ready global communication. We're excited to invite the dynamic youth of your institution to become digital ambassadors for Samvadini — India's cutting-edge, AI-powered, Global Communication Super App that's redefining secure, multilingual, and spam-free connectivity.

Therefore, kindly circulate below given Google form among your students network those have knowledge of React Native, SQLite, Redux, Node JS, Phoenix, WebRTC, NodeJS, MongoDB, MySQL, Redis or any other AI based technologies/skills for their active participation in AI Development of Samvadini:

<https://forms.gle/zaZB9aieRV4sniT69>

In this regard, once again it is requested to circulate aforesaid information to all the students of your institute and encourage them to participate in these activities. It is also requested to ensure their active participation. A certification of appreciation will be provide by Anuvadini AI, AICTE, Ministry of Education to all the student who will actively participate in this activity.

For any other clarifications, feel free to contact us.

With Regards,

Dr. Buddha Chandrasekhar

CEO, Anuvadini AI
